

Anselmo Vigne

2003 Cabernet Sauvignon
Napa Valley

Beverage Testing Institute

Deep garnet purple color. Bright ripe blackberry and cassis aromas with a touch of mocha and vanilla. A round, lightly tannic entry leads to a dry-yet-fruity full body of vibrant berry fruit and brown spice flavors with crisp, juicy tartness and supple tannins on the long finish. This has plenty of stuffing for a long haul in the cellar and well balanced acidity and tannins to excel with prime rib tonight. Superb. \$60
